SUSCINI TOURS

Several people are standing on the sidewalk to the left of the bus, some appearing to be in conversation or waiting.

A construction worker wearing a high-visibility yellow vest and dark pants is standing in the middle of the road, facing away from the camera.

A group of people, including a woman in a bright pink skirt and a man in a dark suit, are walking on the sidewalk to the right of the bus.

A large, multi-story brick building with a prominent gable roof and several windows is visible in the background on the right side of the image.

A line of trees with yellow and green autumn foliage runs along the street in the background.

Several orange traffic cones are placed along the edge of the road, likely for traffic control or construction purposes.

IN USE

Hilton

The image shows the exterior of a Hilton hotel. A large, multi-story glass tower rises from a lower concrete structure. The word "Hilton" is prominently displayed in blue, three-dimensional letters on the concrete facade. Below the tower, there is a covered entrance area with several blue awnings. The foreground is a large, paved parking lot with visible cracks. To the right, there are some trees and a landscaped area with rocks and plants. The sky is blue with some white clouds.
